Small Scale Mining Training Centre-PNG
~ Celebrating 10 Years ~

THEME
“A DECADE OF TRAINING AND SUSTAINABLE MANAGEMENT”

1. Demonstrating the sluice box
2. Practical session in the field
3. Theory session in class
4. Graduation session

Small Scale Mining Training Centre is Papua New Guinea’s only premier institution that offers skills and capacity building courses for the artisanal and small scale gold miners. Located in Wau, Bulolo District, Morobe Province.

- Established in 2008 under the Mining Support Sector Program (MSSP)
- Initially managed by European Union (EU)
- Officially handed over to the Mineral Resources Authority in October 2010
- Trained over 5,000 Papua New Guineans with knowledge and skills in small scale mining practices

09th October, 2020
